

Data subject consent to personal data processing for accommodation and access control

Dear Colleague,

For the purpose of complex access control, accommodation to staff leased apartments and hotel bookings, TCS will utilize your personal information as set out in this declaration.

To enable this process, TCS might process following categories of personal data, which you will provide to us:

- Employee names, spouse name, contact number, email ID, vehicle registration number, passport number, national ID number, gender, Visa details

We might also use other personal data, as follows, that we have previously collected by you or by third parties:

- Employee names, spouse name, contact number, email ID, vehicle registration number, passport number (where necessary), national ID number (where necessary), gender, Visa details

Some of the above categories of personal data, namely national ID number, passport number, Visa details, are deemed to be particularly sensitive and require higher levels of protection which TCS will put in place for the protection of this data

For the purpose(s) specified above, TCS will also need to share your personal data with following third party/-ies:
